Lamp: 280 / 10R Osram lamp

Color wheel: 13 color + blank color wheel

Gobos wheel: 14 fixed gobos + 9 rotation gobo

Prism: 8-facet prism & 6-facet prism

DMX control channel: 24 channels

Control mode: Standard DMX512, Master-slave, auto

CERTIFICATE: CE&ROHS

Item description

10R 3in1 gobo wash beam light in flight case

HOT 3D spot BEAM

more POWERFUL, more MAGIC

Technical parameters

- 1.Voltage: AC110V-240V 50HZ/60Hz
- 2.Lamp: Osram 280 10R LAMP
- 3.Power Consumption:470W
- 4.Lens : high precision optical lens
- 5.Ballast:Electronic Ballast
- 6.Color wheel: 13 dichroic filters + white

7.Gobo wheel

Rotating Gobo Wheel with 9 bidirectional and indexable gobos (outside diameter: 15.4 mm, image diameter: 13 mm) +blank
Static Gobo wheel with 14 fixed gobos + blank, at variable rotation

8.Prism

Prism 1: 8-facet circular prism rotating in both directions at different speeds
Prism 2: 6-facet linear prism rotating in both directions at different speeds

9.Dimmer : 0-100% linear adjustment

10.Strobe : Double lens strobe (0.5-9 times/ second)

11.Zoom: beam angle 1-2.7 degree ; spot angle 2.7-38 degree; wash angle 38-48 degree

12.Wash effect : adjustable Wash effect angle

13.Focus: linear adjustment

14.Pan/Tilt : X axis 540° Y axis 270°automatically accurate positioning

15.Control mode : Standard DMX512, Automatic and Master/ slave mode

16.Dmx Channel : 24 CHs

17.Dimension: 35*25*58cm

18.Weight : 19kG

19. CERTIFICATE : CE&ROHS
